However, the commission may not acquire any land in those areas until the neighborhood development plan has been amended to designate that land as a part of an urban renewal or redevelopment project area.

(f) The redevelopment commission may amend the neighborhood development plan, in the manner prescribed by subsection (d), to include additional areas in the neighborhood development program areas, either generally or as urban renewal or redevelopment project areas.

(g) The redevelopment commission may apply for and accept advances, loans, grants, contributions, and any other forms of financial assistance from the federal government, may contract with the federal government for any costs arising from a neighborhood development program, or may otherwise contract with the federal government concerning a neighborhood development program, to the same extent as they may for urban renewal project areas.

SECTION 26. IC 36-7-14-39 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2000]: Sec. 39. (a) As used in this section:

"Allocation area" means that part of a blighted area to which an allocation provision of a declaratory resolution adopted under section 15 of this chapter **and finally approved under section 17 or 17.3 of this chapter** refers for purposes of distribution and allocation of property taxes.

"Base assessed value" means the following:

(1) If an allocation provision is adopted after June 30, 1995, in a declaratory resolution or an amendment to a declaratory resolution establishing an economic development area:

(A) the net assessed value of all the property as finally

1 determined
 2 effective
 resolution, as adjusted under subsection (h); plus
 (B) to the extent that it is not included in clause (A), the net
 assessed value of property that is assessed as residential
 property under the rules of the state board of tax
 commissioners, as finally determined for any assessment date
 8 after the effective date of the allocation provision.
 9 If an allocation provision is adopted after June 30, 1997, in a
 10 resolution or an amendment to a declaratory

 resolution, as adjusted under subsection (h); plus
 (B) to the extent that it is not included in clause (A), the net
 assessed value of property that is assessed as residential
 property under the rules of the state board of tax
 commissioners, as finally determined for any assessment date
 20 after the effective date of the allocation provision.
 21
 22 (A)
 23 a
 resolution establishing a blighted area expires after June 30,
 25 1997; and
 26 after June 30, 1997, a new allocation provision is included
 27
 28 the
 29 the
 30 the
 under subsection (h).
 (4) Except as provided in subdivision (5), for all other allocation
 areas, the net assessed value of all the property as finally
 determined for the assessment date immediately preceding the
 effective date of the allocation provision of the declaratory
 36 resolution, as adjusted under subsection (h).
 37 If an allocation area established in an economic development
 38

1 definition in subdivision (1) applies to the expanded portion of the
2 area added after June 30, 1995.

3 (6) If an allocation area established in a blighted area before July
4 1, 1997, is expanded after June 30, 1997, the definition in
5 subdivision (2) applies to the expanded portion of the area added
6 after June 30, 1997.

7 Except as provided in section 39.3 of this chapter, "property taxes"
8 means taxes imposed under IC 6-1.1 on real property. However, upon
9 approval by a resolution of the redevelopment commission adopted
10 before June 1, 1987, "property taxes" also includes taxes imposed
11 under IC 6-1.1 on depreciable personal property. If a redevelopment
12 commission adopted before June 1, 1987, a resolution to include within
13 the definition of property taxes taxes imposed under IC 6-1.1 on
14 depreciable personal property that has a useful life in excess of eight
15 (8) years, the commission may by resolution determine the percentage
16 of taxes imposed under IC 6-1.1 on all depreciable personal property
17 that will be included within the definition of property taxes. However,
18 the percentage included must not exceed twenty-five percent (25%) of
19 the taxes imposed under IC 6-1.1 on all depreciable personal property.

20 (b) A declaratory resolution adopted under section 15 of this chapter
21 **and finally approved under section 17 or 17.3 of this chapter** before
22 January 1, 2006, may include a provision with respect to the allocation
23 and distribution of property taxes for the purposes and in the manner
24 provided in this section. A declaratory resolution previously adopted
25 may include an allocation provision by the amendment of that
26 declaratory resolution before January 1, 2006, in accordance with the
27 procedures required for its original adoption. A declaratory resolution
28 or an amendment that establishes an allocation provision after June 30,
29 1995, must specify an expiration date for the allocation provision that
30 may not be more than thirty (30) years after the date on which the
31 allocation provision is established. However, if bonds or other
32 obligations that were scheduled when issued to mature before the
33 specified expiration date and that are payable only from allocated tax
34 proceeds with respect to the allocation area remain outstanding as of
35 the expiration date, the allocation provision does not expire until all of
36 the bonds or other obligations are no longer outstanding. The allocation
37 provision may apply to all or part of the blighted area. The allocation
38 provision must require that any property taxes subsequently levied by

1 for the benefit of any public body entitled to a distribution of
2 taxes on taxable property in the allocation area be allocated

the taxes attributable to the lesser of:
 (A) the assessed value of the property for the assessment date
 with respect to which the allocation and distribution is made;

the respective taxing units.
(2) Except as otherwise provided in this section, property tax
proceeds in excess of those described in subdivision (1) shall be
allocated to the redevelopment district and, when collected, paid
into an allocation fund for that allocation area that may be used by
16 the redevelopment district only to do one (1) or more of the
17
18 (A)
19 payable
20 by
refinancing the redevelopment of that allocation area.
(B) Establish, augment, or restore the debt service reserve for
bonds payable solely or in part from allocated tax proceeds in
24 that allocation area.
25 Pay the principal of and interest on bonds payable from
26 tax proceeds in that allocation area and from the
27
28 (D)

allocation area.
(E) Pay premiums on the redemption before maturity of bonds
payable solely or in part from allocated tax proceeds in that
33 allocation area.
34 Make payments on leases payable from allocated tax
35 ceeds in that allocation area under section 25.2 of this

3 (H) Reimburse the unit for rentals paid by it for a building or
4 parking facility in or serving that allocation area under any
5 lease entered into under IC 36-1-10.

6 (I) Pay all or a portion of a property tax replacement credit to
7 taxpayers in an allocation area as determined by the
8 redevelopment commission. This credit equals the amount
9 determined under the following STEPS for each taxpayer in a
10 taxing district (as defined in IC 6-1.1-1-20) that contains all or
11 part of the allocation area:

12 STEP ONE: Determine that part of the sum of the amounts
13 under IC 6-1.1-21-2(g)(1)(A), IC 6-1.1-21-2(g)(2),
14 IC 6-1.1-21-2(g)(3), IC 6-1.1-21-2(g)(4), and
15 IC 6-1.1-21-2(g)(5) that is attributable to the taxing district.

16 STEP TWO: Divide:

17 (A) that part of twenty percent (20%) of each county's total
18 county tax levy payable that year as determined under
19 IC 6-1.1-21-4 that is attributable to the taxing district; by

20 (B) the STEP ONE sum.

21 STEP THREE: Multiply:

22 (A) the STEP TWO quotient; times

23 (B) the total amount of the taxpayer's property taxes levied
24 in the taxing district that have been allocated during that
25 year to an allocation fund under this section.

26 If not all the taxpayers in an allocation area receive the credit
27 in full, each taxpayer in the allocation area is entitled to
28 receive the same proportion of the credit. A taxpayer may not
29 receive a credit under this section and a credit under section
30 39.5 of this chapter in the same year.

31 (J) Pay expenses incurred by the redevelopment commission
32 for local public improvements that are in the allocation area or
33 serving the allocation area. Public improvements include
34 buildings, parking facilities, and other items described in
35 section 25.1(a) of this chapter.

36 (K) Reimburse public and private entities for expenses
37 incurred in training employees of industrial facilities that are
38 located:

- 1 (i) in the allocation area; and
- 2 (ii) on a parcel of real property that has been classified as
- 3 industrial property under the rules of the state board of tax
- 4 commissioners.

5 However, the total amount of money spent for this purpose in
6 any year may not exceed the total amount of money in the
7 allocation fund that is attributable to property taxes paid by the
8 industrial facilities described in this clause. The
9 reimbursements under this clause must be made within three
10 (3) years after the date on which the investments that are the
11 basis for the increment financing are made.

12 The allocation fund may not be used for operating expenses of the
13 commission.

14 (3) Except as provided in subsection (g), before July 15 of each
15 year the commission shall do the following:

16 (A) Determine the amount, if any, by which the base assessed
17 value when multiplied by the estimated tax rate of the
18 allocation area will exceed the amount of assessed value
19 needed to produce the property taxes necessary to make, when
20 due, principal and interest payments on bonds described in
21 subdivision (2) plus the amount necessary for other purposes
22 described in subdivision (2).

23 (B) Notify the county auditor of the amount, if any, of the
24 amount of excess assessed value that the commission has
25 determined may be allocated to the respective taxing units in
26 the manner prescribed in subdivision (1). The commission
27 may not authorize an allocation of assessed value to the
28 respective taxing units under this subdivision if to do so would
29 endanger the interests of the holders of bonds described in
30 subdivision (2) or lessors under section 25.3 of this chapter.

31 (c) For the purpose of allocating taxes levied by or for any taxing
32 unit or units, the assessed value of taxable property in a territory in the
33 allocation area that is annexed by any taxing unit after the effective
34 date of the allocation provision of the declaratory resolution is the
35 lesser of:

- 36 (1) the assessed value of the property for the assessment date with
- 37 respect to which the allocation and distribution is made; or
- 38 (2) the base assessed value.

1 (d) Property tax proceeds allocable to the redevelopment district
2 under subsection (b)(2) may, subject to subsection (b)(3), be
3 irrevocably pledged by the redevelopment district for payment as set
4 forth in subsection (b)(2).

5 (e) Notwithstanding any other law, each assessor shall, upon
6 petition of the redevelopment commission, reassess the taxable
7 property situated upon or in, or added to, the allocation area, effective
8 on the next assessment date after the petition.

9 (f) Notwithstanding any other law, the assessed value of all taxable
10 property in the allocation area, for purposes of tax limitation, property
11 tax replacement, and formulation of the budget, tax rate, and tax levy
12 for each political subdivision in which the property is located is the
13 lesser of:

14 (1) the assessed value of the property as valued without regard to
15 this section; or

16 (2) the base assessed value.

17 (g) If any part of the allocation area is located in an enterprise zone
18 created under IC 4-4-6.1, the unit that designated the allocation area
19 shall create funds as specified in this subsection. A unit that has
20 obligations, bonds, or leases payable from allocated tax proceeds under
21 subsection (b)(2) shall establish an allocation fund for the purposes
22 specified in subsection (b)(2) and a special zone fund. Such a unit
23 shall, until the end of the enterprise zone phase out period, deposit each
24 year in the special zone fund any amount in the allocation fund derived
25 from property tax proceeds in excess of those described in subsection
26 (b)(1) from property located in the enterprise zone that exceeds the
27 amount sufficient for the purposes specified in subsection (b)(2) for the
28 year. The amount sufficient for purposes specified in subsection (b)(2)
29 for the year shall be determined based on the pro rata portion of such
30 current property tax proceeds from the portion of the enterprise zone
31 that is within the allocation area as compared to all such current
32 property tax proceeds derived from the allocation area. A unit that has
33 no obligations, bonds, or leases payable from allocated tax proceeds
34 under subsection (b)(2) shall establish a special zone fund and deposit
35 all the property tax proceeds in excess of those described in subsection
36 (b)(1) in the fund derived from property tax proceeds in excess of those
37 described in subsection (b)(1) from property located in the enterprise
38 zone. The unit that creates the special zone fund shall use the fund

in any session for residents of the enterprise zone.

(h) The state board of accounts and state board of tax commissioners shall make the rules and prescribe the forms and procedures that they consider expedient for the implementation of this chapter. After each general reassessment under IC 6-1.1-4, the state board of tax commissioners shall adjust the base assessed value one (1) time to neutralize any effect of the general reassessment on the property tax proceeds allocated to the redevelopment district under this section. However, the adjustment may not include the effect of property tax abatements under IC 6-1.1-12.1, and the adjustment may not
 18 less property tax proceeds allocable to the redevelopment
 19 under subsection (b)(2) than would otherwise have been
 20 if the general reassessment had not occurred. The state board
 21 tax commissioners may prescribe procedures for county and
 22 officials to follow to assist the state board in making the

(b) As used in this section, "designated taxpayer" means any taxpayer designated by the commission in a declaratory resolution
 31 adopted or amended under section 15 or 17.5 of this chapter **an**
 32 **finally**
 33 **executive under section 17 or 17.3 of this chapter,**

1 the allocation area in excess of the taxes attributable to the base
2 assessed value of that real property.

3 (c) The allocation provision of a declaratory resolution may modify
4 the definition of "property taxes" under section 39(a) of this chapter to
5 include taxes imposed under IC 6-1.1 on the depreciable personal
6 property of designated taxpayers, in accordance with the procedures
7 and limitations set forth in this section and section 39 of this chapter.
8 If such a modification is included in the resolution for purposes of
9 section 39 of this chapter, the term "base assessed value" with respect
10 to the depreciable personal property of designated taxpayers means the
11 net assessed value of all the depreciable personal property as finally
12 determined for the assessment date immediately preceding:

13 (1) the effective date of the modification, for modifications
14 adopted before July 1, 1995; and

15 (2) the adoption date of the modification for modifications
16 adopted after June 30, 1995;

17 as adjusted under section 39(h) of this chapter.

18 SECTION 28. IC 36-7-14-39.3 IS AMENDED TO READ AS
19 FOLLOWS [EFFECTIVE JULY 1, 2000]: Sec. 39.3. (a) As used in this
20 section, "depreciable personal property" refers to:

21 (1) all of the designated taxpayer's depreciable personal property
22 that is located in the allocation area; and

23 (2) all other depreciable property located and taxable on the
24 designated taxpayer's site of operations within the allocation area.

25 (b) As used in this section, "designated taxpayer" means any
26 taxpayer designated by the commission in a declaratory resolution
27 adopted or amended under section 15 or 17.5 of this chapter **and**
28 **finally approved by the municipal legislative body or the county**
29 **executive under section 17 or 17.3 of this chapter**, and with respect
30 to which the commission **and the municipal legislative body or the**
31 **county executive** finds that taxes to be derived from the depreciable
32 personal property in the allocation area, in excess of the taxes
33 attributable to the base assessed value of that personal property, are
34 needed to pay debt service or to provide security for bonds issued
35 under section 25.1 of this chapter or to make payments or to provide
36 security on leases payable under section 25.2 of this chapter in order to
37 provide local public improvements for a particular allocation area.
38 However, a commission **and a municipal legislative body or the**

1 **county executive** may not designate a taxpayer after June 30, 1992,
 2 unless the commission **and the municipal legislative body or the**
 3 **county executive** also finds that:

4 (1) the taxpayer's property in the allocation area will consist
 5 primarily of industrial, manufacturing, warehousing, research and
 6 development, processing, distribution, or transportation related
 7 projects; and

8 (2) the taxpayer's property in the allocation area will not consist
 9 primarily of retail, commercial, or residential projects.

10 (c) The allocation provision of a declaratory resolution may modify
 11 the definition of "property taxes" under section 39(a) of this chapter to
 12 include taxes imposed under IC 6-1.1 on the depreciable personal
 13 property located and taxable on the site of operations of the designated
 14 taxpayers in accordance with the procedures and limitations set forth
 15 in this section and section 39 of this chapter. If such a modification is
 16 included in the resolution, for purposes of section 39 of this chapter the
 17 term "base assessed value" with respect to the depreciable personal
 18 property means the net assessed value of all the depreciable personal
 19 property as finally determined for the assessment date immediately
 20 preceding:

21 (1) the effective date of the modification, for modifications
 22 adopted before July 1, 1995; and

23 (2) the adoption date of the modification for modifications
 24 adopted after June 30, 1995;

25 as adjusted under section 39(h) of this chapter.
